The Class of 1960 graduated in style when they marched to their graduation ceremony, dressed in bright red robes.

They had a very successful year that ended their high school career. The first dance was sponsored by the seniors and it proved to be one of the best put on during the year. They also presented a hilarious play entitled "Hobgoblin House" with the assistance of their class advisor, Mrs. Harvey

This year the Junior Class worked eagerly on the main event of the year, the Junior Prom. In order to help finance the prom they sponsored a magazine sale last fall. It was quite successful. For another money-making project a Junior dance was held. The dance along with other planned projects helped make a financially successful year.

As a result of losing the class competition the sale of World Tour Dinner tickets, the Juniors presented a very interesting assembly enjoyed by all students.

After a lot of work and some fun, the Juniors finished their year with great anticipation for their coming Senior year.

Cuddle up a little closer. This is fun.

The Freshman Class of 110 anxiously entered our hallowed halls this year and were royally welcomed by the student council's annual get acquainted dance.

At first only temporary officers were elected until the class members became acquainted with each other.

The Freshman Slave Day was a huge success.

The Freshman Class did many things this year and hope to become a great asset to Scappoose Union High School.

# Majorettes & Pep Band

Gladys Carver

The majorettes lead the parade in being camera hogs. This can probably be explained by the fact that the head majorette, Julie Burg, is also editor of the annual. Nevertheless, this group has done an outstanding job this year in their many public appearances.

The Pep Band, the best in the league, provided music for the majorettes in their half-time show as well as entertaining fans before and during the game. This hard working group also played for all pep assemblies.

Like the varsity, the junior varsity didn't have an impressive record this season. The team was composed of quite a few freshmen who didn't have any previous contact experience. Their record was two wins, four losses, and one tie.

# BASKETBALL

Dan Delk

Due to the inexperience of this years team their record wasn't too impressive. The team was composed of two seniors, seven juniors, and one sophomore

During the year, the Indians played their games whole heartedly, but seemed to lose many of them by only a few points.

One of the highlights of the season was the winning of the Christmas tournament at WyEast for which they received a trophy.
